

THE HAKI-SAK FEATURES:

- Professional athletic quality.
- Ready to play- no “break in time” needed.
- Hand made, woven with triple cotton threads.
- Multi-coloured with a variety of patterns.
- Plastic bead fill.
- Washable.

FEATURES OF THE DISPLAY CONTAINER

- Clear plastic container that holds 30 haki-saks
- Allows you to see each and every Haki-sak. It is very attractive on the counter or a shelf and lets the customer easily select the one they like to purchase.
- Wide mouth lid gives easy access for your hand to enter the container
- Threaded lid helps reduce shoplifting
- Label on the container identifies the product and provides an area for the retail price
- Dimensions are height 10”, length 8 ¼”, width 5 ¾”
